Commissioner for Patents

In order to bring application 10/760,225 to issue, it is suggested that applicant do the following:

Applicant is requested to submit the issue fee along with a petition requesting that the fee be accepted as timely. Please note in your petition the following: Applicant did not previously pay the issue fee because he did not receive a timely notice of allowance. For reasons unknown to applicant the original notice of allowance was returned to the Office instead of being delivered to applicant despite the fact that the address is a valid address. The subsequent notice of allowance was received by applicant after the time period for paying the issue fee had expired.
